

TRAVEL SMART, EXPLORE LOCALLY: A Guide to Sustainable Vacation

Welcome to the "Green ring" of Zagreb! The Vacation Never Closer campaign invites you to slow down and experience our county in an environmentally friendly way. Leave your car keys at home and embark on an adventure by public transport.

BY TRAIN IN THE HEART OF NATURE

The train is the fastest and greenest way to your destination. Avoid the crowds and enjoy a relaxed journey.

- **Direction WEST (Zaprešić):** Discover the rich history of Novi dvori Jelačićevi. Trains run frequently, and the journey takes only about 20 minutes.
- **Direction SOUTH (Jastrebarsko):** Your starting point for the Plešivica wine roads. From the center of Jastrebarsko, you can easily reach numerous wineries on foot or by local taxi.
- **Direction EAST (Ivanić-Grad and Dugo Selo):** Perfect for relaxing at the Naftalan health resort or exploring local gastronomic events.
- **Direction VELIKA GORICA:** Quick connection to Turopolje. Ideal for visiting the Turopolje Museum, which is just a short walk from the station.

Useful tip: Check the HŽ Putničkog prevoz website for special weekend discounts. Many trains also have space for bicycles, so your trip can become a real "Bike & Ride" adventure!

BY BUS TO HIDDEN GEMS

Local and suburban bus lines connect you to the most famous excursion destinations:

- **SAMOBOR:** The Samoborček and Galop lines depart from the Zagreb and Črnomerec Bus Stations. Ideal for a weekend coffee on the square, kremšnita and a walk to the Old Town.
- **SVETI IVAN ZELINA:** Čazmatrans lines take you to the heart of the wine roads and to the famous Zelina swimming pools.
- **VELIKA GORICA:** Regular ZET lines (268, 290) connect Zagreb with Turopolje every ten minutes.

ON TWO WHEELS (BIKE & RIDE)

Zagreb County offers more than 700 kilometers of marked trails.

1. Ecological and healthy: Reduce your CO2 emissions and explore hidden paths along the Sava River, Rakitje Lakes or the picturesque hills of Vukomeričke Gorice.
2. Easy accessibility: Many locations within the "Holiday Never Closer" campaign have secured bike racks or offer e-bike rental to make climbing easier.

WHY CHOOSE LOCAL TRANSPORT?

Through the Holiday Never Closer platform, we encourage you to become a responsible traveler:

- Nature conservation: Fewer cars mean cleaner air in our forests and parks.
- Stress-free: Forget about looking for parking and enjoy tasting local wines without worrying about driving.
- Support the local: Traveling slower, you will more easily notice small family farms, stands with local products and authentic souvenirs.
